

February 2018 Newsletter

A Note from Our Principal,

We had a great first month of 2018 and are looking forward to spending the rest of this winter season with you and your children. Our teachers and staff are hard at work creating meaningful learning experiences for the month of February. Thank you to those of you that participated in our annual parent survey, we appreciate your feedback and support! When the survey results are in, we will be examining them carefully for areas of improvement and will share our plan with you when it's ready.

Sincerely,
Lauren Young

Priority Enrollment for the 2018-2019 School Year

Are you planning on re-enrolling for the next school year? We hope so! Please let us know as soon as possible so that we can ensure your child is placed on the roster. Our management team is available to address any questions or concerns you have.

Cold Weather Reminders

Our students love to play on the playground and we go outside every day (weather permitting). Please make sure your child has a seasonally appropriate change of clothes in their cubby in case they have an accident. Thank you!

We Love Our Parents!

Do you know any parents who have recently moved to the area, are expecting a baby or are unhappy with their current preschool? We value our current parents and would love more families like yours at our school! Refer a new family to our school and your family could receive a free week of tuition. For more information, see management.
